# About Us

Thakur International School proudly stands among the top ICSE Schools in Mumbai with a high success rate. With a reputation for academic excellence and student achievements, the school has carved out a prestigious position in the education sector of Mumbai.

Founded in 2007 as a valued institution within the Thakur Group of Education, TIS provides a holistic learning experience. The school offers the ICSE curriculum and is affiliated to the Council for the Indian School Certificate Examination (CISCE).

The school focuses on overall development, so students experience a balanced blend of academics, co-curricular activities, and life skills. Every year, our skilled faculty members help students achieve remarkable results in the ICSE board exams.

At Thakur International School, we provide a state-of-the-art, facilities and a co-educational environment that is caring, supportive, and joyful. We nurture children during their formative years through future-focused education that balances academic excellence with strong character building. Our high success rate reflects personalized attention, innovative teaching practices, and an inspiring environment designed to help every child reach their full potential.

The school promotes and ensures that each student has ample opportunities to become an effective communicator, a keen inquirer and a confident individual while enhancing academics and social skills and developing into a well-balanced personality.
