## Message from Principal's Desk..

"Each day is a new beginning. Take a deep breath, smile, and start again."

Dear Students and Parents,

This year, as we open the doors to a new academic session, we celebrate the theme of "*New Beginnings*" — a perfect reflection of the excitement, hope, and promise that fills our school environment.

It has been a joy to witness our students return with enthusiasm. The motivating assemblies, classroom activities, team-building games and enriching competitions brought warmth and connection to the start of the year. World Environment Day was marked with creativity and care, as students planted saplings, designed posters, and pledged to protect our planet.

We also ignited the spirit of sportsmanship with inter-house competitions in football, and kho-kho. These events reminded us that every beginning is also a chance to challenge ourselves and rise together—on and off the field.

As we move ahead, I encourage our students to embrace this new chapter with open hearts and open minds. Make every moment count, and let each step you take be a part of your journey toward excellence.

Wishing you all a meaningful, joyful, and inspiring academic year!

Ms Usha Sinha

# World Environment Day

*'Let's nurture the nature to have better future'*

On 5th June World Environment Day, an informative video was shown to students. Prime aim was to sensitize students about the importance of conserving the environment and promoting sustainable living. It instilled a sense of responsibility in the students and encouraged them to take small yet impactful steps towards a greener future.

# World Food Safety Day

*'Safe Food Now For A Healthy Tomorrow'*

An informative video was presented to the students in observance of World Food Safety Day on 9<sup>th</sup> June 2025. The video highlighted the importance of maintaining hygiene while handling, preparing, and storing food. Students watched the video with great interest and actively engaged in discussions afterward. They gained valuable insights into food safety practices and expressed their eagerness to implement them in their daily lives, both at school and at home.

# World Food Safety Day

On 9th June Food Safety Day, Various activities were conducted across all grades to raise awareness about healthy eating habits. It included a short speech, a skit and a fun packet reading activity. Discussions were held on adulterated, canned and contaminated food.

There was also a debate conducted on home food v/s Junk food.

It was an engaging and informative experience that helped students understand the importance of food safety in daily life.

# Father's Day Activity

*'Fathers are our first teachers, guiding us with strength, love, and endless patience.'*

Father's Day was celebrated on 13th June 2025. We believe in cherishing the beautiful bond between children and their parents. On the occasion of Father's Day, we hosted a heart-warming celebration to honour the love, guidance, and strength that fathers bring into our lives. The event was filled with joy, laughter, and gratitude as students expressed their affection through handmade cards, songs, collage making, and thoughtful speeches. These activities were conducted across all grades, allowing every student to participate and show appreciation for their fathers. It was truly a memorable day filled with warmth and love.

# International Yoga Day

*'Yoga helps us connect the mind, body, and soul in perfect harmony.'*

TIS celebrated International Yoga Day with enthusiasm on Friday, 20th June 2025. The day began with a special assembly for Grades 1 to 6, where students performed a rhythmic yogic dance and highlighted the importance of yoga through speeches and presentations.

# International Yoga Day

For students of Grades 7 to 10, a special yoga session was conducted at Crystal Hall by experienced yoga trainers, Ms. Pratiksha Bai and Ms. Vaishnavi Raut from 'Yog Samarthya'. They demonstrated various yogasanas and guided the students to perform them correctly. They also explained the physical and mental benefits of practicing yoga regularly.

The students actively participated and in the session. The celebration helped promote awareness about healthy living and mindfulness among students, making the event truly meaningful and impactful.

## Anti-Bullying Drive

### Message From Vice-Principal

#### Standing Up for Kindness: The Need for Anti-Bullying Initiatives in Schools

Bullying is more than hurtful words and actions- it can deeply affect a child's confidence, learning and the overall well-being. Recognizing this, our school has come up with a series of anti-bullying activities aimed at creating a safe, inclusive and respectful environment for all students.

Through role-plays, class discussions, poster-making and subject integrated activities, students will learn how to identify, prevent and stand up against bullying in positive and constructive ways.

By raising awareness and promoting empathy, our school is building a culture where kindness is celebrated, differences are respected and no voice goes unheard.

Together, we are taking a strong stand – for respect, for safety, and for each other.

## Sustainable Development Goals...

### Message From Supervisor

As the world works towards achieving the 17 Sustainable Development Goals (SDGs) by 2030, it is essential to educate students to take action towards these goals. As our vision is to make students responsible global citizens so that they develop a deeper understanding of their role in society and the environment, we have decided to introduce SDG through curriculum as well as through some extracurricular activities.

This year we will focus on SDG 13: Climate Change.

As an individual we can significantly contribute to sustainable development by focusing on reducing our personal ecological footprint, advocating for sustainability, and participating in community initiatives. Let's make eco-conscious choices, like opting for sustainable transportation, planting trees, segregating waste, reducing e waste, recycling objects as well as raising awareness among peers and local communities about the importance of sustainable practices.

“A greener planet begins with sustainable steps.”

Let's turn these words into action and ensure that development and conservation go hand in hand for a brighter tomorrow!

# Council Election

*‘Leadership begins in school—with courage, commitment, and care.’*

The council election process sparked enthusiasm across the school, creating a lively and engaging atmosphere among students. Students actively participated in the council election campaign, showcasing their leadership skills through speeches, posters, and creative slogans. The campaigning fostered a spirit of democracy and teamwork among the students.

# Council Election

Voting day for the school council was held on 6th June, creating a buzz of excitement throughout the campus. Students cast their votes with responsibility, experiencing the democratic process first-hand. The day highlighted the importance of fair elections and active student participation.
