Ganapati Celebration

Pearly Shell Preschool came alive with devotion and joy as our little stars presented a delightful skit and dance performance during the Ganpati Assembly. With parents as the special audience, the children confidently showcased their talents, spreading the festive spirit of Lord Ganesha through storytelling, music, and graceful moves. The celebration beautifully blended tradition with creativity, leaving everyone with smiles and cherished memories.

TEACHERS DAY CELEBRATION

Teachers' Day at Pearly Shell Preschool was a day filled with gratitude and joy. The spirit of the occasion was beautifully celebrated across the school with fun activities, performances, and heartfelt gestures for the teachers. The children joined in the cheerful atmosphere, sharing smiles and love that reminded us of the special bond between teachers and students. It was truly a day of appreciation, laughter, and celebration.

GRANDPARENTS DAY CELEBRATION

Grandparents' Day at Pearly Shell Preschool was a grand and heartwarming celebration filled with love, laughter, and togetherness. Held in the auditorium with Pre-Primary to Grade 2 participating, the day honored the special bond between grandparents and grandchildren. The joyous event featured fun games like housie, lively trivia, and energetic dances. Our children expressed their love through heartfelt speeches and captivating performances, while grandparents joined in the fun with dance and cheer. The day was truly a beautiful reminder of the timeless role grandparents play in our lives.

LITERACY DAY

On Literacy Day, our children were introduced to the magical world of books! Teachers took the children to the library, where stories were read aloud with excitement and warmth. The little ones learnt the importance of reading and how books open doors to imagination and knowledge. The day inspired curiosity and sowed the seeds of a lifelong love for reading.

INTERNATIONAL SCIENCE DAY

International Science Day at Pearly Shell Preschool was filled with curiosity and discovery! Each class participated in simple, hands-on science activities that sparked wonder and excitement. From observing, experimenting, and asking questions, our little scientists experienced the joy of learning through exploration. The celebration encouraged children to think creatively, explore their surroundings, and believe that science is truly all around us.

LIFE SKILLS

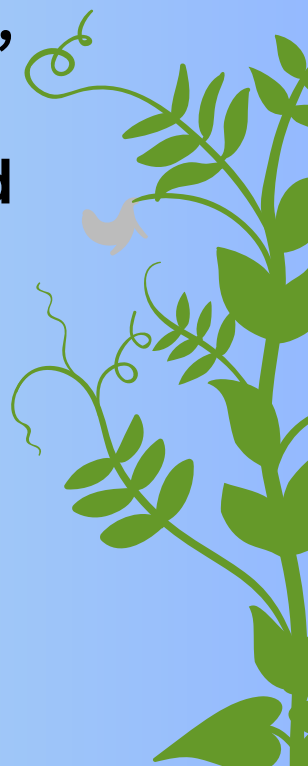

At Pearly Shells Pre-School, our little ones enjoy hands-on life skills activities like peeling green peas!

These activities help build fine motor skills, patience, and teamwork.

They also connect learning to science, math, and everyday life.

Through such fun exercises, children develop independence, problem-solving, and social skills.

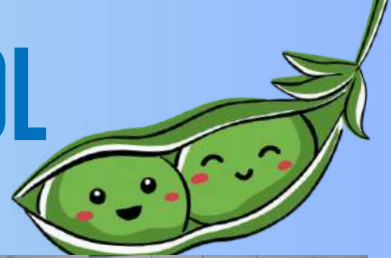

Watching them explore, learn, and grow is truly heartwarming!

MONTESSORI WAY

Learning the Montessori way is always fun at Pearly Shell Preschool! Children were told to bring fresh vegetables from home and explored hands-on learning by sorting them, building their observation and thinking skills. A special highlight was when our Sr. KG children proudly guided the Nursery class, showing them how to segregate vegetables with patience and care. It was a wonderful display of peer learning, teamwork, and joyful discovery.

WILDLIFE DAY

Pearly Shell Preschool celebrated Wildlife Day with creativity and curiosity. Our little ones expressed their love for animals through beautiful paintings and colouring activities, they also enjoyed engaging videos and stories about wildlife. The children learnt about the importance of protecting animals and nature, making the day both fun and meaningful.

NAVRARTI CELEBRATION

Navratri at Pearly Shell Preschool was a vibrant celebration of colour, culture, and dance! Dressed in their colourful festive outfits, our little ones lit up the classrooms with joy and excitement. The highlight of the day was when children came together to dance and do garba, filling the school with music, laughter, and festive spirit. The celebration was a wonderful blend of tradition and fun.
